Your Labor is not in vain!

It is easy to become discouraged when you work hard for something and it seems like you're just spinning your wheels. It happens when a child builds a tower of blocks and a sibling comes and knocks it down. It happens when students study hard but still don't pull the grade that they expect. It happens when you work diligently in your 9 to 5 job— that is now more like a 7 to 7 job—and you don't receive any extra recognition (or pay!). It happens when you have worked so hard in your life and now that you're older, all that time, effort and energy seems to have been forgotten or unappreciated by your children and grandchildren. It is easy to become discouraged and feel like your labor, all your hard work, has been in vain.

The Apostle Paul knew something of this discouragement as well. He wondered out loud (or on paper) if he had labored in vain (see Gal. 4:11). Yet in the midst of discouragement, his eyes are drawn always and ever to the person and work of Jesus—and there He finds his encouragement.

In the 15th chapter of 1 Corinthians, the Apostle Paul writes about the source of his, and all believers' encouragement; the reality of Jesus' resurrection from the dead. He states that because of Jesus' resurrection, we can take courage—our sin is forgiven (v.17). Because Jesus is raised from the dead, we will also rise (v.23). And finally, because Jesus is risen, our labor in the Lord is not in vain! *Therefore, my beloved brothers, be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain.* (1 Corinthians 15:58)

The reality of the resurrection and the significance it has for our lives is that it assures us of our forgiveness now, our future hope of the resurrection, and the meaning it gives to our labor! Faithful labor in our vocations is never in vain! "Faithful" meaning both living and working, trusting in Christ's salvation for us, and also living and working to the best of our abilities for the service of others. Faithful labor in the Lord is never in vain—because He is laboring in and through us!

So take courage! Don't throw in the towel! Christ the Risen One has labored *for* you and is now laboring *in* you through Word and Sacrament. He is the One Who has called you to your labor—and the One Who has called you is faithful! He will labor on! (1 Thess. 5:24)

Midweek studies

- The **Wednesday** morning men's and women's Bible studies meet at 10 am every week until Memorial Day.
- The **Thursday** evening midweek Bible studies, which were suspended during Lent, resume this month on May 9 and 23, now meeting at 7 pm. Watch the weekly bulletin announcements for times and topics of these studies.

Catechism Corner Pentecost and Pentecostalism

Catechism

With the celebration of Pentecost fast approaching, the Christian church throughout the world reflects on the very first Pentecost recorded in Acts 2. This high, holy day is marked with numerous signs and wonders which Saint Luke chronicles with his usual descriptive flair: “*suddenly there came from heaven a sound like a mighty rushing wind...*” “*divided tongues as of fire appeared to them and rested on each one of them...*” and “*they were all filled with the Holy Spirit and began to speak in other tongues*” (Luke 2:2-4). Now, all of these amazing things took place during the Jewish harvest festival of Shavout, with the Holy Spirit working through the disciples to produce a harvest of 3,000 souls who were baptized into the name of Christ Jesus.

Frequently throughout the Scriptures, God works through various means (i.e. bread, wine, water, stones, wind, fire and of course, His servants) to communicate His grace to His people. Indeed, this tendency of God to communicate a heavenly reality through ordinary means is key to our sacramental theology; we preach, teach and confess that a Sacrament is not a Sacrament without a visible sign attached to it. For the people present at the first Pentecost, it was the disciples themselves serving as a visible sign for the people that the Holy Spirit was present. The tongues of flame which rested on them called to mind the pillar of fire with which God led His people of old, and their speech in foreign tongues serves as a reversal of the curse God placed on the world at Babel. The grace of this miracle is that people of all tribes and languages would be able to hear the good news of Jesus Christ. However, as is the tendency of sinful man, this account is often abused within the modern church to justify a practice that is utterly un-biblical.

The tradition of “speaking in tongues” in the western church (several denominations, but most notably early 20th century Pentecostal) is meant to harken back to the miracle of Pentecost. However, the contemporary practice of tongues completely divorces itself of the grace it was intended to communicate to the disciples and their hearers. In its modern form, speaking in tongues serves as a rite of passage or a demonstration of those whose belief is “genuine.” In other words, it is understood as something a believer must do in order to authenticate their Christian faith. In this sense, it serves as the polar opposite of a Sacrament: God does not command it, there is no grace in it, and the “visible means” is nothing but gibberish. So, how ought the orthodox Christian appropriate this practice? The truth is, we already do. We speak in language which is not our own each and every Sunday when we make confession of our sins and when we recite the creed. Through these words, which God has given His church so that we would know His grace and mercy, we speak an eternal language of salvation in Christ alone. We speak in unison with the church of all times and places to pronounce the goodness of a God Who became flesh to save us from our sin. May the Holy Spirit ever open our lips to proclaim the mighty works of our God!

Blessed Pentecost,
—Pastor Beck

Ministry of Song

Add Your Voice The Health and Human Care Committee would like to start a new in-reach program for our members who are not able to worship with us on a regular basis. The goal of this new program would be to bring the **ministry of song** to our shut-ins.

As noted in Ephesians 5: *“Speak to one another with psalms, hymns, and spiritual songs. Sing and make music in your heart to the Lord.”*

Our pastors would identify those who would appreciate or benefit from a short visit from a small group of people who would sing several hymns with them. A professional singing voice is not required but a desire to give a small amount of your time sharing some of the spiritually uplifting and comforting Lutheran hymns. Contact *Janet Hitzeman* (jhitzema@indiana.edu or 812-345-0882) if you are interested in participating in this ministry.

Faith Families Celebration

Sunday, May 19
11:30 am—1:00 pm

Family Ministries The second annual “Faith Families Celebration” is an event to better know the individuals and families of our congregation. Every family unit at Faith is invited to use a 4' x 2' area of table top space to display photos or memorabilia. Bring photos of your childhood, local and extended family, milestone events like weddings or baptisms, vacations or hobbies.

A free Subway lunch, provided by a Thrivent Mission Action Grant, will start right after 10:30 am worship. The remainder of the time is for browsing the displays and talking with each other about family. A free will offering will support Faith's “Operation Christmas Child” Spirit Camp project.

Pause at the narthex table after worship on May 3 or 10 to

- reserve table top space for your family's display and/or
- indicate how many members of your family will be enjoying the Subway lunch, with a variety of home-made pies for dessert.

Or, send that information to *Dave Ebeling* at 812-322-6503 (cell) or davidgebeling@gmail.com.

NOTE: It is not necessary to display family photos in order to enjoy the lunch and fellowship. Come for food and conversation as you learn more of the family history of people you may see every Sunday but know very little about. Sponsored by the Faith@Home Ministry Team.

Bring the whole family and join us as we kick off the summer! Free will donations will be accepted to offset expenses.

Contentment

True contentment will never be found in the things of the world. God has given us that which alone can provide for us true peace of heart, true contentment. He has given us His Son, Jesus, to be our Savior from sin, death, and the power of the devil. Through what Jesus has done for us on the cross and by the open tomb, we have the forgiveness of sins as well as life with Christ, here on earth and forever in heaven.

When we give more emphasis to our blessings of body and soul, we will give less emphasis to the things of the world. Count your blessings from God. You'll find they are countless! None of us deserves any of His blessings, especially the gift of His Son, Jesus, to be our Savior!

... BE CONTENT
with what you have;
for he has said,
"I will never leave you
or forsake you."

Sun., June 17 (9:15 am): Adults

Greetings from the Director of Faith Lutheran Preschool and Christian Child Care

We are wrapping up our fall registration. We have a few spots available in our Preschool classrooms, but our infant and toddler rooms are full. If you are interested or know someone looking for preschool aged programs we offer full time and part time options. Please email me at flps@faithbtown.org for more information.

You are all invited to attend our Graduation of the Pre-K class on Thursday, May 16. The ceremony will take place in the sanctuary at 6 pm with refreshments in the gym afterwards.

Thank you to everyone for another amazing, gratifying and very blessed school year. Thank you for all of your support, prayers and hard work that make this ministry of the church work.

God's Peace and Blessings,
Rachel Stults, Director

Pre-K (4 & 5 year olds)

This year has gone by quickly. May is upon us now, and that means it is the end of the school year. The students had their last Easter Celebration Party at Faith, and we went on our last Pre-school field trip to The Warehouse. They had so much fun, playing with their friends. Not only did we have the chance to have a wonderful Spring Program, but the kids did a wonderful job singing before Lenten service.

Mission Statement:

Faith Lutheran Preschool and Christian Child Care shall be distinctively Lutheran in its philosophy, curriculum and staff. While evangelistic outreach is the primary purpose, it strives to assist in nurturing all children and their families.

So

many lasts of Preschool are here. I have seen most of my students grow through the program, and it is bitter sweet seeing them graduate. They will now embark on a new journey in Elementary school. Some will still see each other every day, and each one will make new friends. After leaving Faith, some kids will be going to Childs, Rogers, or Clear Creek, to name a few. As we finish the year we will be doing end of the year assessments, Mother's and Father's Day projects, finishing some sight word memorization, and having a field day. I am so excited to see what each student is going to do next. As summer break is here, I look forward to getting ready for a new group of students to get to know and enjoy a wonderful school year. Happy Summer.

Join us after Bible study on Wednesday, May 15 for this month's topic:

Atrial Fibrillation

Atrial Fibrillation (also so known as *A Fib*) is the most common cardiac rhythm abnormality in the US, and its incidence increases with increasing age. We will discuss A Fib, its risk factors, consequences and management. We will also compare gender differences.

After the topic is presented, we will have time for Q&A on any heart health/disease related topic you so choose.
