## Resolutions

*When the days drew near for him to be taken up,  
 he set his face to go to Jerusalem.*

- Luke 9:51

Shortly after Thanksgiving this last November, I went to do some Christmas shopping for my family. As I browsed College Mall for the perfect gifts for family and friends a sign at GNC caught my eye: “Why Wait For New Year’s? Start Your Resolutions Now!” At that point, I felt the long arm of the law (not God’s Law mind you, but perhaps still somehow divine) point an accusatory finger at me from behind the store’s glass window. I was keenly aware that, having gone out that morning on a mission, I was wearing my “loose pants” for maximum comfort and mobility. Only they maybe weren’t as loose as they had been when I bought them. And so, partly out of vanity and partly out of concern for my health and well-being, I made my New Year’s Resolution to try and get back into fighting form!

No doubt, many of us have made such resolutions spurred on by all manner of concerns: health, finances, self-improvement, etc. Our resolutions tend to be focused on increasing the quality of our day-to-day lives, and indeed this is a healthy, constructive way to live. Be more frugal, eat better, drink less, spend more time away from screens! These are all good resolutions. Among those I would add one more: **Get more Jesus.** Don’t attend worship as regularly as you would like? *Talk with your pastors and examine your schedule.* Worship weekly but afraid to set foot in Bible Study? *Find a friend to go with* so you’re in familiar company! Unable to get out because of weather or health? *Call and let us know so we can visit you* with the Lord’s Supper.

In Luke chapter 9 we see Jesus make a resolution near the end of His earthly ministry: with the Pharisees and Scribes plotting to kill Him, He resolves not to back off for the sake of His personal well-being, but He sets His face to go to Jerusalem to give Himself up as the blood sacrifice for our sin. The phrase “set his face” is an old Hebrew idiom which means to resolve immovably to a course of action. Come hell or high water, **Jesus was going to the cross and there was no power in the world which would stop Him.** His resolution was not to save *Himself*, but to save *you* and now, having accomplished your salvation on the cross, **He sets His face to come to you in Word and Sacrament** to make that forgiveness known to you.

So. What is stopping you? Why not receive the gifts He freely gives wherever and however you can? As He set His face to Jerusalem to save you, so set your face to Him where He comes bearing a “quality of life” improvement beyond all earthly comparison. Why wait? Start now!

Blessed New Year’s,  
*Pastor Beck*

# Relational, Contextual Witnessing

Thank you, all!

Many thanks to everyone that contributed in so many different ways during the Advent and Christmas seasons:

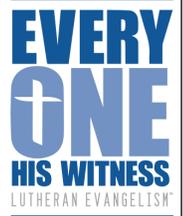

- **Musical offerings**, whether singing, playing an instrument, or both! *Soli Deo gloria!*
- **Christmas decorating** in early December (led by *Cybil Cole*)
- **Luminaries** (led by *Dave Ebeling*)—setting out and lighting on Christmas Eve, and cleaning up on Christmas Day,
- **Advent meals** cooks and crews, including those who applied for Thrivent Action Team grants to cover much of the cost.

Trim  
the  
Tree

Join us on **Saturday, January 4** at 9 am as we **UN-decorate** the building after Christmas!

**Congregational Workshop**  
*“Every One His Witness”*  
 Saturday, January 25  
 8:45 am-2 pm

Some of you may recall that in October the whole congregation of Faith was commissioned as the “Outreach and Evangelism team.”

That means every one. That means you.

**You already are witnesses for Christ**, wherever the Lord has called you. **But you may not feel like you are well equipped** for the task. If you have ever felt like that, I want to encourage you to come to our congregational workshop called “Every One His Witness” on **Saturday the 25<sup>th</sup> of January**.

*Every One His Witness* is an evangelism training approach that utilizes video instruction and small group interaction. The training puts sound doctrine into practical action using a relational approach for sharing the faith. During our time together we will cover:

- the “**What**” and “**Why**” of witnessing,
- the “**How**” of witnessing using the LASSIE approach (*see left and posters at Faith*),
- **Head, Heart and Hand** models of how people connect and communicate.

Participants will be provided materials for the workshop and an access code for Context Modules that address witnessing in specific situations. Morning **refreshments and lunch** will also be provided. Registration is **free and open to all** congregation members; we ask that you sign up in advance so that we have adequate food and materials.

Congregations throughout our Synod have used this approach to help sharpen their witness of Christ to friends, family members and those that the Lord has placed in their lives. I pray that it would sharpen your witness as well.

*But you are a chosen race, a royal priesthood, a holy nation, a people for his own possession, that you may proclaim the excellencies of him who called you out of darkness into his marvelous light. (1 Peter 2:9) You are His Witness!*

—Pastor Edwards

Your mites can support **LWML Mission Grant #5** for 2019-2021: **\$95,000 for Lutheran Bible Translators**. There are over 170 million people who speak more than 1,500 languages who have never read the Bible in their native dialect. Bible translation is absolutely foundational to the mission of the church.

This grant will pay for one year of a four-year training program for pastors and church leaders in Tanzania, Ethiopia and elsewhere to be directly involved in translating God's Word for their people. With your prayers and mite donations, this vital ministry will share the Gospel of Jesus Christ in the language of the people. For more information, look on the round table in the Narthex by the Mites collection box, or go to <http://www.lwml.org/2019-2021-mission-grant-5>.

-----

## LWML Mite Boxes — How They Began

Perhaps inspired by the various "cent" or "mite" societies of the early 1800s, the Woman's Mission to Woman (Baptist) urged members in its first circular letter in 1871 to use their new Mite Box to raise funds. *The entire family* was encouraged to contribute. The garnet-colored paper box had an opening on the top and the words, "Woman's Mission to Woman," in gold letters on the side.

Over the years, many Lutheran Ladies Aid societies used a box to gather funds in support of local and synod ministries. Under the original 1928 Lutheran Women's Missionary Endeavor organizational plan, each woman in every congregation would receive a Mite Box if she participated in the Ladies Aid.

Receipts from the 92 Ladies Aid societies totalled **\$6651.31 in 1930**. (In contrast, **the 2019–2021 LWML Mission Goal is \$2,100,000.**) The Lutheran Women's Missionary League, formally recognized by the Lutheran Church—Missouri Synod in 1942, required by the newly adopted constitution and bylaws, that 25% of all missionary contributions be given to the national organization, shared from the districts.

Here at Faith we collect mites on the LAST Sunday of each month—look for the clear, acrylic box on the round table in the narthex to deposit your monies, and pick up a new box if you need one. You may also bring your mites in to the church office at any time during the month.

*Thank you* for contributing to the Mite Box and providing the opportunity for us to spread the Gospel to the world!

Have you made a New Year’s Resolution to bring your children to Sunday School more in 2020? Here’s what we want you to know:

**All children are welcome** to Faith’s Sunday School! Children are grouped by age and then grade level. Here’s where you can find each class, and who is currently teaching:

**Parents and 2-year-olds:** *downstairs Preschool classroom*  
(down the Education Wing hallway just past the office)

Teacher: *Sarah Pape*

**3 & 4-year-olds:** *upstairs classroom across from the kitchen*

Teachers: *Deb Hackman & Kayla Baker*  
*Amanda & Ryan Shettlesworth*

**5-year-olds through 6<sup>th</sup> grade:** *the gym*

5s/K teachers: *Samantha Schaefer*  
*Tim Paul*

1<sup>st</sup> & 2<sup>nd</sup> teacher: *Janet Hitzeman*

3<sup>rd</sup> & 4<sup>th</sup> teachers: *Jean Scott*

*Lauren Cook*

5<sup>th</sup> & 6<sup>th</sup> teachers: *Tom Waggoner*

*John & Kim Pitcher*

At the beginning of the Sunday School hour the 5-year-olds through 6<sup>th</sup> graders work on a service project for approximately 15 minutes, then gather on carpet remnants with pillows or sit in chairs to learn the Bible lesson for that day. This 10-15 minute lesson is led by a teacher, a pastor, or a congregation member. **Anyone interested in leading a large group lesson, please contact Megan Abbott for the schedule.**

After the large group lesson, children split into their corner classrooms for age-appropriate review of the lesson and activities.

**7<sup>th</sup> grade through High School:** *upstairs through the gym*  
(middle door on the left wall)

Teacher: *John Poage*

\*\*\*\*\*

We like to have two teachers per group of children so that the teachers can take turns and do not teach every Sunday. It’s common for teachers to switch every other month, but schedules are flexible.

We give thanks for the service and dedication of all our current and past teachers. There are nearly always openings for new teachers. The materials are all provided and the pastors and veteran teachers are available to help guide you.

**Please contact new Sunday School Superintendent Megan Abbott, Pastor Beck, or one of the current teachers to learn more** about how you could serve this year, sharing teaching responsibilities in one of the above classes!

**We look forward to seeing your children in Sunday School this year!**

## Lunch & Learn— Creating a Dementia-friendly Congregation Wednesday, January 15 | 11 am

Over 5 million Americans are living with dementia. 80% of those people are living at home. Chances are that you know someone living with dementia.

Our **January Lunch & Learn** will be a *Dementia Friends* Information Session, led by *Jan Bays*, PT. Jan is a founding member of Dementia Friendly Bloomington, Director of Program Development and Education at Jill’s House, and Dementia Action Alliance Board Member.

You will learn 5 key messages about dementia, how it affects people, and how you can make a difference in the lives of people living with dementia and their care partners. People living with dementia need to be understood and supported in their communities. Faith is already a designated Dementia Friendly Congregation. You can help by becoming a Dementia Friend.

## Fellowship News

**Faith & Fellowship** Fellowship would like to thank everyone who helped and/or cooked Advent lunches or suppers. We couldn’t provide these meals without help and especially without the use of Thrivent Action Team grants. We used two Thrivent Action grants to reach out to Wheeler Mission at the end of 2019.

- *Erin Miller* provided free bowling to everyone who brought in new underwear for women at Wheeler Mission.
- *Bonnie Martin, Ann Graves, Marsha Baute, Jan Greenwood and Alice Hawkins* spent a Monday evening at Wheeler Mission playing bingo with the residents. The prizes were items the ladies could use for winter such as warm socks, hats, gloves, chap stick and hand cream. We served cocoa and cookies while we played “Christmas” Bingo. The ladies wanted us to sing Christmas songs with them after we finished playing bingo.

**Upcoming dates** for fellowship are:

- **February 29** we will have our second **Trivia Night**. Spend Leap Year with us eating pizza and playing trivia. We will provide child care again this year.
- **May 2** will be our 2<sup>nd</sup> **Ladies Tea** and silent auction. Last year we raised about \$600 for Wheeler Mission for Women. Plan to spend the afternoon with us in “God’s Garden.”

-----

Fellowship is always in need of funds from *Thrivent Action Grants*. Most Thrivent members allowed two grants a year and if you don’t have plans for your grants see *Ann Graves* or *Bonnie Martin* about giving them to Fellowship. We use them to provide Advent and Lenten meals, the Ladies Tea, Church Picnic and any other activities we provide such as Trivia Night. We also use them for outreach projects such as Wheeler Mission for Women.

**Resolutions for Christian Parents**

Each family is different. Needs of parents and children vary tremendously at different stages and ages. One New Year's resolution does not fit all.

Browse through these 12 idea starters for just one personal parenting resolution and be intentional about focusing your daily attention on it. If none of these is what is on your heart, create one uniquely for you.

This year, with God's help, I resolve

- to **pray daily** for my child(ren) and with my children.
- to treat my child(ren) with **respect and love**.
- to allow myself to be **imperfect**.
- to **apologize out loud** to my child(ren) when I make a mistake.
- to intentionally **take time** to play with my child(ren).
- to remember that **quantity** time is **quality** time.
- to **not judge** other parents' actions.
- to be in my child(ren)'s **picture**...literally.
- to increase the times our family **eats together**.
- to discuss with my child(ren) current events from a **Christian perspective**.
- to pace our **Sunday mornings** so that we worship together and learn in Sunday school and Bible classes.

## Faith Lutheran Preschool and Christian Child Care

Happy New Year! During the month of January we will be celebrating our National Lutheran Schools week. It will take place during the week of January 27<sup>th</sup>.

We are inviting the church to help us celebrate in a couple of ways:

We will be putting up a "Prayer Angels" in the Narthex. The angels will have a child's name on it from the preschool or childcare. We would like for you to take an angel (or more) and pray that our ministry will put the Holy Spirit to work in their hearts. They will be available to take beginning Sunday, January 19 from a wall near the church mailboxes in the narthex.

We are inviting you to sign up to help out in the classrooms during story time and read the children a book either in the afternoon session or morning session.

If there is a hobby or something that you do that you think the children would like to learn about or do, please contact me so that we can fit that into our week as well.

Lastly we would like to invite you to have lunch with the preschoolers anytime during that week.

I will put sign up sheets for all of these events under our bulletin board across from the library.

We will be starting our registration for the 2020-2021 school year when we return for second semester. As we did last year, we will set aside a week for **church members only** to turn in paperwork before it opens up to the public. Church members can pick up a registration packet anytime after January 7<sup>th</sup> from the church office or from our bulletin board across from the church library. Church members may return them anytime during the week of January 27 – 31. You may turn them into the church office and they will put them in my mailbox. Registration will open up to the public on February 4. We are open from 7:45 am to 5 pm, Monday through Friday. Please stop by anytime and see what we are all about.

You can email me at [faithlutheranps@gmail.com](mailto:faithlutheranps@gmail.com) to set up tours and with any questions you have about our program.

May God Bless you and your New Year too!  
*Rachel Stults, Director*
